

This architectural floor plan depicts a long, narrow building layout. A central corridor runs horizontally, with several small rectangular rooms branching off. On the left side, there is a large square room with a smaller square inside it. Further along the left side, a room is labeled 'W2'. On the right side, a larger room contains a staircase and is labeled with '40' and '10.51'. The building is bounded by a curved line on the right side, suggesting an outdoor area or a boundary. The drawing is a simple line sketch with some dashed lines indicating specific features or boundaries.
